

CircusNextplus

Call for projects and circus creators *artistic and leadership program for emerging creators*

Application Form

Deadline for submission: Dec. 19, 2018 at 23:59

Send your application to plus@circusnext.eu

NOTICE

The application form offers an opportunity for applicants to outline their proposed project. The answers provided will help the jury select the companies who will benefit from the CircusNext+ program. Please use this form to express your creative ideas: do not hesitate to write all details you think relevant.

Beware of the length limitations in your answers!

CAUTION

Please check first the eligibility criteria and the information on the Call for projects. If the conditions are not respected, your application will be considered as ineligible.

Please note that you may only apply in one country.

Your application must be written in English.

Do not hesitate to contact us for any additional information.

Title of your creation project

Name of the company (if applicable):

E-mail:

Phone:

Legal address of the company
(if applicable):
